Delivery Notification: Action Required!!!

dear customer,

We are contact you regarding the recent package intended for delivery at your address. Our system shows that there may be an issue with the delivery of your package.

Tracking Number: USXXXXXXXXX38

Scheduled Delivery Date: 10/18/2024

Due to a issue with the address, delivery has been delayed. Click the link below and update your address and payment information for your package to be delivered.

<http://uspssmail.com/xtn=0VRht8u37t>

If your address is not confirmed within 48 hours, your package will be returned to the sender and **you will be charged 100\$**

We have attached the invoice for your recent package delivery. Please open the file to review details.
